Testimonial

To whom it may concern:

This is to certify that Landfeld Engineering (M) Sdn Bhd, a contractor appointed since 2011 as the In-house support team for all our upgrading and maintenance projects.

They have successfully completed various projects involving in the following areas:

- A. Fabrication and Erection Works
- B. Installation of Process Piping Works
- C. Equipment's Relocation and Installation Works
- D. Balance of Plant Works.

We have found their work with a high satisfactory level and they have shown a great level of competency both in technical and safety requirement.

Thank you.

Yours sincerely,

Azhari Bin Sulaiman

Head of Engineering, Investment & Maintenance
