To whom it may concern.

Letter of Appreciation.

I am pleased to write this appreciation letter to Landfeld Engineering (M) Sdn.Bhd. experience with United Plantation Berhad with their responsiveness, thoroughness and ability and dedicate project team who are able to assist to our project requirement is evident.

Landfeld Engineering has been awarded number of projects related to our expansion program namely as follows:

- 1.Fabrication, Erection and Installation of 2 x 5000MT M.S. edible storage tanks.*
- 2.Piping works for Fractionation Plant, Heating and Blending Plant, Nitrogen Gas Piping.*

They have also being involve in our Biogas Distribution Pipe line in lieu to our Biogas renewable program projects involving in all the process piping and structural works and with their expertise and scheduling working ahead the milestone chart, they have also being given the similar task to complete our division in Pantai Remis and Ulu Basir, Perak.

I wish to take this opportunity and appreciation to Landfeld Engineering team in providing effective results, working effectively to establish goal of quality and timeliness.

Thank you.

Ir. P. Rajasegaran
