

PHYTES BIOTEK

10th February 2011

Testimonial on Completion of Work – Landfeld Quasa Engineering Sdn. Bhd.

This is to certify that LANDFELD QUASA ENGINEERING SDN. BHD. has successfully completed the installation, testing and commissioning of the chiller units (York 250RT) at our plant site at Hicom Glenmarie, Shah Alam, Selangor.

We wish to take this opportunity to thank their Engineering team who were involved in this project. Their competence shown in meeting the technical requirements and fulfilling the project milestones of on time delivery and with zero variation order was exemplary. This coupled with the adherence to safety standards and on site work instructions and procedures were crucial points in making the project a success.

Thank You.

Yours Sincerely,

Sudershan Sivasubramaniam
Production Manager
